COMEDIAN JERRY SEINFELD IS QUOTED AS SAYING:

“According to most studies, people’s number one fear is public speaking. Number two is death. Death is number two. Does that seem right? That means to the average person, if you have to go to a funeral, you’re better off in the casket than doing the eulogy.”

Our Karaoke Speaking Skills Workshop provides students with an opportunity to hear tips and tricks about speaking in public as well as some fun practice—the Karaoke section! 😊.

The workshop will be led by SCS4ALL graduate students Nik Wolfe and Trisha Black from the School of Computer Science along with Brigid Johnson from the Tepper School of Business.

The event is sponsored by Google!

ALL Welcome!
